Dear Parents

Seminar on '334 New Senior Secondary (NSS) Curriculum - Choice of Form 4 Subjects'

In the coming school year, your child will be promoted to Form 4 studying the NSS curriculum. To facilitate the understanding of the NSS subjects and the admission requirements of local universities, the booklets of 'New Senior Secondary Curriculum & Subjects Introduction of the School' and 'Unified Announcement of University Entrance Requirements under the 334 Academic Structure' are distributed for the reference of parents and students. A wise choice of subjects is a prerequisite for effective learning. It also prepares your child for academic studies and career pursuits in the future.

In order to provide an opportunity for parents to know more about subject selections so that with your partnership we can better contribute to your child's development, I am pleased to invite you and your child to attend the seminar on the Choice of Form 4 Subjects on #Friday, February 24, 2017 at 6:30 p.m. in the school hall (students must be present in proper school uniform). In the seminar, different subject options, procedures for choice, further education and career prospects will be introduced. The common problems encountered in the choice of subjects will also be lightened.

Please complete and return the attached reply slip to the class-teacher via your child on or before Tuesday, February 7, 2017.

Yours faithfully

WONG CHONG YEE
Principal

Remark: #The seminar is rescheduled from March 10, 2017 to the above mentioned date due to teachers' activities.
